ABOUT US

Surprising it may be, but a non-living stone can add or eliminate life in living spaces!

Nova Tile is a leading manufacturer and importer of premium-grade natural stone and porcelain tiles and pavers for exterior and interior applications. We bring the finest quality natural stone from various quarries, production facilities, and other sources and extend our quality products to customers across the globe.

Our customer service team is always available to assure and address all your issues and solve them quickly.

Our team has a mission to assure the quality of the products through a fine selection and production process and also aggressive pricing. This helps us provide our clients with the best quality at the best price.

Our product line includes a variety of tiles, pavers, pool coping, mosaics, ledger stone panels, decorative stones, beach pebbles, gravels, boulders, flagstone, and many more. We also accept custom orders and can provide any desired color, size, cut, and shape requested.
